The ILAE and the IBE have been actively monitoring the global COVID-19 pandemic. As the health and well-being of our delegates, stakeholders and employees is of paramount importance to us, the decision has been made to postpone the Latin American, European and North American regional congresses until 2021, and to postpone the International Epilepsy Congress until 2022. Epilepsy Congress Secretariat

At this stage the Asian & Oceanic Conference will be going ahead in October however, we advise you to check the main epilepsy congress website epilepsycongress.org for any further updates.
