# New Zealanders Talk About Epilepsy YouTube Channel

## TALKING ABOUT EPILEPSY

Did you know Epilepsy New Zealand are on youtube?

Epilepsy New Zealand are pleased to share stories from our epilepsy community.

Our vision is a New Zealand that is free of discrimination and stigma, where the impacts of epilepsy on a persons life, and that of their whanau and community are minimised.

If you or someone you know would like to share an epilepsy story please email and our content producer will contact you regarding capturing your story.

Help us educate communities, destigmatize epilepsy and support New Zealanders living with Epilepsy.

A huge thank you to those sharing their epilepsy journey.

Meet New Zealanders living with epilepsy and their supporters.

*He waka eke noa We are all in this together.*
