

How to print off your purple day bunting.

- Open up the pdf file
- You may have to right click on your mouse to open the menu
- Click on print
- Your printer properties will open. Select colour, select which pages you want to print for A4 size, select one sided; then print.
- If you want A5 size or smaller, many printers will allow you to select the number of pages per sheet of paper. Remember to only print on one side
