Celebrating 70 Years Of Epilepsy New Zealand

CELEBRATING 70 YEARS OF EPILEPSY NEW ZEALAND

In 2026, Epilepsy New Zealand celebrates 70 years of supporting people living with epilepsy, their families, whānau, and communities.

To mark this milestone, we're inviting workplaces across Aotearoa to be part of

"70 WAYS TO GO PURPLE"

– because every action, big or small, helps raise awareness and reduce stigma.

You don't have to do all 70 – just choose one (or a few!) and help make this [Purple Day](#) our biggest yet. [Purple Day](#) is 26th March 2026, but a Purple Day fundraiser or awareness event can take place any day throughout March.

Download or print the guide now: [70 Ways To Go Purple](#), please share with your friends, networks and on [social media](#). Let's raise funds and raise awareness.

TERMS AND CONDITIONS

Thank you for supporting Epilepsy NZ. We're grateful for every community fundraiser that helps us support people living with epilepsy across Aotearoa New Zealand.

Before you get started, here are a few important things to be aware of:

- Get approval first: Please don't use Epilepsy NZ's name, logo, or branding unless we've approved your fundraiser.
- Fundraise independently: You're fundraising in support of Epilepsy NZ, not on our behalf. This means you can't make commitments, promises, or agreements for us.
- Be respectful and safe: Fundraisers should be lawful, honest, inclusive, and safe for everyone involved.
- Look after our reputation: Please make sure your activity reflects positively on Epilepsy NZ and the people we support.
- Be clear and transparent: Let people know how their donations will support Epilepsy NZ.
- Handle funds responsibly: Please send all funds raised to Epilepsy NZ within 7 days of finishing your fundraiser.
- Check before approaching sponsors or media: If you'd like to contact businesses, media, or trusts connected with Epilepsy NZ, please check with us first.
- Use our materials properly: Any Epilepsy NZ materials provided must only be used for your approved fundraiser and not altered.
- We may step in if needed: If something isn't working or doesn't align with our values, we may ask for changes or for the activity to stop.
