

Purple Event Alternatives

Epilepsy New Zealand is committed to ensuring the safety of our staff, supporters, clients, if an in person event is not feasible, there are other ways to celebrate Purple Day.

Set up an online fundraiser

[Give a Little](#) pages can be set up by individuals and money can be donated to Epilepsy New Zealand. Epilepsy New Zealand already has account details stored on the site. Some people choose to create an event or auction on their Facebook account. We can support your fundraiser by sharing on our Facebook page and supporting our Purple Day Hero's.

Donate directly

Your financial support will ensure we can continue with our important mahi to support people who live with Epilepsy. You can make a [donation](#) here

Check in with your loved ones

People living with chronic illness are particularly vulnerable during this time. If you have loved ones—living with epilepsy or not—who are spending more time at home alone, make sure to check in with them and see how you can help.
