Volunteer With Us

We're always pleased to hear from people who would like to support our work.

We're particularly keen to hear from people who can help organise or host events during our awareness campaigns, including Purple Day/Month and Let's Talk About It! These events help raise awareness, start conversations and show support for people living with epilepsy and their whānau.

We also welcome help with fundraising activities and events. Whether you have a particular skill to share, an idea for a fundraiser or simply some time to give, your support can make a real difference.

Interested in getting involved? We'd love to hear from you!

Contact us at national@epilepsy.org.nz to tell us a little about yourself and how you'd like to help.
